

Military Transport Association - MTA
Monthly Meeting - Mon, Aug 10, 1992 at
Septembers in E. Hanover, N.J.

So you would like to have your vehicle used in the movies - or TV commercials - or for still shots??

Well, here's how - Take two pictures of your MV, a front and a rear 3/4 view. Send them with your name, address and telephone numbers (on the back of the pictures) to:

Donna Motors
 Attn: Sonny Abagnale
 15 Roosevelt Ave
 Belleville, N.J. 07109

Sonny is a gentleman who provides vehicles for the filming industry. I have had many dealings with him over the years and he is a man of his word, meaning, you can trust him.

Providing your vehicle for the filming industry is not all peaches and cream. Usually the demand is on very short notice. The fee that Sonny pays includes your delivering your vehicle to the filming site and taking it home again. If you can manage it, it is best if you can stay at the site and keep an eye on it, cause to filming crews, your MV is just another piece of equipment and they have been known to really do a job on some equipment.

But it is fun. So send in your photos and Good Luck.
 Harold & Patience
