New Business – David Steinert brought up the idea of the MTA issuing participation pins, depicting the number of years of continued club membership. A 5-year, 10-year, 15-year, etc. pin would be presented to those members upon their anniversary. Most in attendance thought it was a nice idea; a committee is to be formed to figure out all the details.

For the Good of the Club - Tom Market, a long time member of the MTA (in the past), was operating the train that was involved in the tractor trailer / train collision last month. The MTA sent Tom get well wishes and a fruit basket to the hospital. **John Sobotka** reports that Tom has injuries to his head, arms and hand, but is recovering well. He expressed his deepest / sincerest thank you to the MTA organization for thinking of him. He expects to recover soon, and would like to get to a meeting and express thanks in person.

There were leftovers as the crowd was small tonight. Along with the donated cake from the BSA, the food venue was catered hot trays of Chicken Marsala, Baked Ziti, Chicken Parmesan, and Sausage & Peppers along with pizza(s).

A 50-50 was conducted, and the meeting was adjourned at 8:53 PM
